

# Clubhouse Kids “I-Spy Game”

The Clubhouse Kids “I-Spy Game” is a fun way to give our families an opportunity to win a \$50.00 credit towards their Clubhouse Kids school year or summer camp account balance. **It’s like suddenly finding unexpected cash in your wallet!**

## **How it Works**

Each month, a Clubhouse Kids staff person will spot, or “spy”, a random vehicle, in the greater Frederick, MD area, with a round Clubhouse Kids magnet placed on the back of it. The staff person will snap a picture of the rear of the vehicle (we expect while in a parking lot or stopped at an intersection) which will include the vehicle license plate.

Upon viewing the snapped picture in the Clubhouse Kids office, we will blur the license plate to an unreadable state, and post the picture on our Facebook page. If within 3 days, the Clubhouse Kids account holder confirms in writing to Clubhouse Kids that it’s their vehicle, they win a \$50.00 credit to be applied their Clubhouse Kids account! It’s that easy!

## **Ready to start? Just follow all instructions below!**

- 1) Purchase a Clubhouse Kids magnet at \$3.00/each for the back of each of your vehicles. (That’s about what we paid for each of them. :-))
- 2) Place one magnet on the back of each of your vehicles. When placing your magnets on your vehicles, it’s best to place them on the back vertical part of the trunk or of the bumper of the vehicle, but it must be a magnetic area.
- 3) Install Facebook on your home computer & cell phone, create a Facebook account, and log in to it.
- 4) Visit Clubhouse Kids on Facebook at [www.Facebook.com/ClubhouseKidsLLC/](http://www.Facebook.com/ClubhouseKidsLLC/) **and click the button to “Like” the Clubhouse Kids Facebook page.** This will ensure that you receive a notification and/or an email message whenever Clubhouse Kids posts on their Facebook page.
- 5) Live your life normally, travelling the roads in and around Frederick, MD as per usual.
- 6) **Pay attention to all Clubhouse Kids posts on Facebook!** We post pics of the children at each center periodically, and post pictures of I-Spy game vehicles monthly, but on random days each month, so be sure to pay attention.
- 7) If you see your vehicle’s picture posted, you have 3 days to tell us it’s your vehicle, and give us the license plate number to confirm. That’s it! Do it, and you’re a Clubhouse Kids I-Spy Game winner!

## **The Fine Print**

Participants have 3 days to contact us in writing (email is best) to advise us if their vehicle is the “spied” vehicle posted on our Facebook page. If we are not contacted by the I-Spy participant/vehicle owner in writing within 3 days, notified that it’s their vehicle, and provided with the vehicle license plate information, then that winning opportunity expires, and we will move on to another vehicle in search of that month’s potential winner. Winners shall receive a \$50.00 Clubhouse Kids credit applied to their Clubhouse Kids account that can be used towards school year or summer camp tuition any time in the next 6 months. If not used within 6 months, the credit will expire and go unused. Winning credits cannot be sold, given, exchanged for cash/refund, or transferred in any way to another party for use on another Clubhouse Kids account. Each winning credit is valid only for use by the original winner on the original winner’s Clubhouse Kids account. A person/vehicle can win a credit a maximum of once every 6 months, and a Clubhouse Kids account can have a winning credit applied to it, a maximum of once every 6 months. Suspended accounts are not eligible to participate. Clubhouse Kids is not responsible for damages caused by magnets placed on vehicles. Winning credits cannot be applied retroactively to a balance that has already been paid.

**\* We have noticed that the front side of some of the Clubhouse Kids magnets may peel after some time. If yours begins to peel significantly, please bring it to the center to exchange for a new magnet at no charge.**
