

## **Clubhouse Kids**

### **Enrollment Plan AM/PM Coverage Cutoff Times Explained**

A tremendous advantage of Clubhouse Kids when compared to other in-school-located child care companies is our extended coverage times on “half-day school days” and “no-school school days”, at no additional cost for kids in our regular attendance enrollment plans.

A child enrolled in After School Care ONLY can arrive at school on a no-school school-day or on a delayed opening day (on their normally attending day of the week) as early as 9:00am-sharp and can remain in care as late as 6:30pm at no additional cost.

A child enrolled in Before School Care ONLY can remain in care on a no-school school-day or early dismissal day (on their normally attending day of the week) until 3:00pm-sharp at no additional cost.

By comparison, any other child care company in the area that offers similar care at no additional cost uses cutoff times of 12:00pm for both AM enrolled and PM enrolled children.

Additionally, the YMCA only offers care on no-school school days at an additional cost of \$35 per child per day, with **nothing covered** without the additional cost. This really adds up over the school year, averaging to about \$100 per child per month in extra fees. Several other companies have similar policies.

**We have never heard of another child care company offering the coverage cutoff times that we offer.** 😊

However, please remember that the cutoff times are “sharp”. In other words, if a child arrives for care only a few minutes early, or remains only a few minutes late, the corresponding drop-in fee (typically \$15 or \$20 per child per day) will be charged to the account.

Please let us know if you have any questions. Thank you.
